

Men in Nursing Conference “Together Making a Difference”

November 11 & 12, 2011

Crowne Plaza Anaheim Resort

Garden Grove, California

The Health Workforce Initiative of the California Community Colleges' Economic and Workforce Development Program and Southern California Chapter for the Assembly for Men in Nursing would like to announce a conference for Men in Nursing – “Together Making a Difference”. This day and a half conference will provide interaction with licensed professional nurses, student nurses and students seeking to enter the field of nursing to provide a framework for discussions and influence factors, which affect men as nurses.

Topics of discussion will include

- Cultural and Gender issues
- Men's Health issues
- Career Transitions
- IOM Future of Nursing
- Guest presenters from all facets of the nursing field

This conference is open to any nurse – male or female – to better facilitate discussion and to strengthen the communication and gender neutrality needed in the nursing profession. Further sessions will help to support men in the nursing profession and encourage men of all ages to become nurses and support those who are nurses to grow professionally and demonstrate to each other and to society the increasing contributions being made by men within the nursing profession.
